

# A world without childhood brain tumors.

Care. Cure. Thrive.

Pediatric  
Brain Tumor  
Foundation

## Goals:

### Equip, Educate and Empower Families

- ★ Increase services to improve quality of life across continuum of care
- ★ Give patients, survivors and families a voice in shaping our programs
- ★ Expand relationships with top 40 pediatric brain tumor hospitals

### Expand the Field of Pediatric Brain Tumor Research

- ★ Attract more researchers to the pediatric brain tumor field
- ★ Influence scientific innovation through collaboratives
- ★ Advance data-sharing and knowledge of tumor types

### Motivate Action to Support Our Mission

- ★ Unite the pediatric brain tumor community for greater impact
- ★ Inspire and inform through national awareness campaigns
- ★ Empower more donors, fundraisers and corporate supporters

## Building a Foundation for the Future
